

Software How-To

Using the HelpDesk Ticket System

You can use the Helpdesk to request help from the technology department of your local district. This will allow you to receive email's regarding updates and any changes in the request. You can also look at historical information about your requests. To use the Helpdesk System, do the following:

Logging In

Open your browser. Go to support.swmittech.org

Log in using your Windows account user name and password.

(The same ones you would use for your computer.)

Logging In

If you don't have an email address associated with your account, you will be prompted to enter one.

Please enter your staff email account here.

The screenshot shows a web browser window with the URL <https://support.swmitch...> and the page title 'MiTech Help Desk'. The page features a navigation bar with icons for 'Request', 'History', 'FAQs', 'Messages', and 'Profile'. The main content area is titled 'User Profile' and includes a note: '* Indicates required fields.' A red hand icon and the text 'E-Mail is a required field.' are displayed in a box above the 'E-Mail' input field. The 'E-Mail' field is highlighted in yellow. Other fields include 'First Name*' (Anon), 'Last Name*' (User), 'Secondary E-Mail', 'Phone', 'Phone 2', 'Location' (a dropdown menu), and 'Time Zone' (America/New_York (EDT)). A 'Save' button is located at the bottom right of the form.

Click the Save button after entering your email address.

Submitting a Ticket

Select the Request button at the top of the page.

Once you're logged in, you'll be taken to the New Request screen automatically.

The screenshot shows a web browser window with the URL <https://support.swmitech...> and the page title "Tech Help Desk". The main navigation bar features the "Web Help Desk" logo and several menu items: "Request", "History", "FAQs", "Messages", and "Profile". The "Request" button, which has a lifebuoy icon, is circled in red. Below the navigation bar, the "Help Request" form is visible, containing the following fields:

- Request Type:
- Subject:
- Request Detail:
- Location:

Submitting a Ticket

Start the ticket by selecting your Request Type.

(These initial types are more generic, but get more specific in other selections. Choose the type that best fits the type of issue you're having.)

Continue to fill in the remaining fields.

The Location field will be specific to you and should contain your site location.

Click Save to continue. A notification email will be sent to you with a link back to your ticket.

Updating a Ticket

To update a ticket, log in to the HelpDesk and it will open to the ticket entry screen.

Click on the History button at the top of the page.

The screenshot shows the Web Help Desk interface. The browser address bar displays "https://support.swmittech...". The page title is "MITCH Help Desk". The navigation bar includes a "Web Help Desk" logo and several icons: "Request", "History" (circled in red), "FAQs", "Messages", and "Profile". Below the navigation bar, the "Ticket History" section is visible. It contains a search form with fields for "Ticket No.", "Status" (set to "All Active"), and "Contains". Below the search form is a table with the following data:

No.	Date	Updated	Status	Request Detail
71	3/26/15	3/26/15	Open	Word won't open files: Every time I try to open a document Word won't open

At the bottom right of the table, there are navigation icons and the text "1 item".

To display the details of the ticket, click on the blue ticket number at the very left of the list.

No.	Date	Updated	Status
71	3/26/15	3/26/15	Open

Updating a Ticket: Adding a Note

Here you'll be able to see the details of the ticket and any notes that have been entered. You'll also be able to add additional notes and communication directly back to the assigned tech support specialist.

Click the Add Note button in the bottom right-hand corner to enter a message. Click Save when done, and your note will be added to the ticket.

You will see your new note in yellow.
